Message from our Globally Assigned Missionaries in Africa South Field

To: Rocky Mountain District NMI

We are doing well, thank you.

It sounds like you are very busy at the moment - may the Lord give you the strength you need, along with the provisions to set things up well.

Tim is the Africa Regional Evangelism and Jesus Film Coordinator and has been super busy with traveling and doing trainings this year! He is currently in Kenya attending Regional Ministry Team meetings with the other Regional Coordinators. He has a team of Jesus Film coordinators that he manages and all together oversees over 300 Jesus Film teams on the Africa Region. He also works with Dynamic Church Planting Initiatives and Orality methods of Evangelism/discipleship. Please pray for him as he is quite busy!

I work in the Regional Finance Office and work with the Field Finance Coordinators across the Region. My work is varied and I keep busier than I would like some days, but enjoy the teaching and ongoing training that I can provide. Our goal is to make sure that WEF dollars are used in the way they are intended across the Africa Region. If we do our job well, then funding for projects and evangelism and discipleship initiatives, etc., get to the where they are supposed to go, to fund the work.

Please pray for us as we will be traveling in about 2 1/2 weeks to Senegal (where we lived for 11 years) to host a Nazarene Missions Team (formerly known as Work & Witness). We are excited about being with this team and the ministry we will be doing together, as we were a part of the original church plant. This team is coming to help build the very first church building in the village of Ndo fan. PTL! Please pray for the team and the young pastor who is leading this congregation in the village.

We are also involved in our local church here in South Africa. The church has a wonderful ministry to children and youth, and we love being a part of our local church life. Pray for me as I will be the speaker this Mother's Day.

Thank you for your ongoing prayers.
We appreciate you!

Tim and Michelle Eby
