District Assembly 2025!

The **pastor is responsible** to submit this form and verify the results of their local church election. If you do not submit the form, your delegates are not registered. As a reminder, any licensed, ordained, retired pastor is an ex-officio delegate to assembly and all conventions. In addition, your local NMI, NDI, NYI presidents (or vice-presidents in the absence of the president) are ex-officio delegates.

REGISTER HERE!

To register your delegates, you will need to provide their names and email addresses. If you would like to **register their families**, you are welcome to do so. If you would prefer to have them **register their families on their own**, you can forward them this link AFTER you have registered them as delegates.
