### Quizzing

We are THANKFUL for all the kids - ALL AGES - doing quizzing! Impressive work and dedication of learning God's Word! The younger kids are working on the book of Acts and teens are working on the book of Luke! How much of those books do you KNOW by memory and UNDERSTAND? Thank you for your prayers for each child/youth learning, adults leading and learning as well!

### College prayers

Pray for our college students, finals, travel, returning to families, and lots of love needed!

### Taylor and missions

Taylor King from the Sheridan Church has been on a few international mission trips as well as just being well traveled. She was part of the fairly recent RMD work and witness trip to Santa Rosa, Paraguay where we supported our RMD missionaries from Missoula....Tim, Margarette, and Natalie Stearns and helped in building a physical church as well as the spiritual church. Upon returning to the USA, Taylor has responded to Gods call on her life to serve as a missionary and has submitted her application to Global Missions for the Ch of the Naz. Please keep her in your prayers and encourage her as she pursues what God has for her!!!

I asked Taylor how we could pray for her and support her...in her own words... "Explore in Lenexa, Kansas Nov. 21-23, where they will interview me and decide to accept me or not to serve so that would be a big one for prayer! I have a hard time articulating my thoughts especially when I'm nervous, so I can use all the prayers for that! I had my church board interview last week and it went well. I've felt a call to missions for a long time but I sort of let it go, getting into the routine of life. Going on the work and witness trip, I feel like the Lord touched my heart in so many ways and reminded me of a lot of things I forgot or let go of. Please also pray for my travels to 'Explore' in Kansas."

**Jarid Hundley** - Military Chaplain training begins Jan 23rd through May when his family will join him at the place he is stationed. Pray for the whole family in this time of transitions.

**'Flying M' (coffee) with the NNU college group!**
