Dear Pastor/Kids Camp Coordinator:

We are asking each church to designate one person to receive your camp registrations and to promote RMD Kidz Camp Pursue. Included in this packet is the camp information sheet and the links to our ONLINE registration forms. All registrations will be online!

Please complete the spreadsheet included and send with your payment for all of your campers, as well as Signed Parent Release Forms and copies of Insurance Cards for each camper. This will help us better know how much each camper has paid. If a child needs scholarship money from the district go ahead and send their registration with a note of how much scholarship money is needed. We do ask that each local church try and help with scholarship funding first, as our district funds are limited.

We are requesting full payment up front and BEFORE CAMP to eliminate processing payments at the campground and to help us facilitate some of our upfront costs. **All Registration Fees need to be postmarked by July 7th and made out to "RMD NDI"**, this will guarantee your campers S.W.A.G. Late Registrations will be taken until July 28th but with an additional Fee of \$25 per camper and will not guarantee S.W.A.G. For late Registrations please contact me.

We are also as always in need of camp staff! If you have anyone interested in coming to Camp Pursue this year they will find the links for Camp Volunteer Applications at our online links as well.

As part of our District Wide initiative to protect our RMD kids all Camp staff will be required to have completed a Rocky Mountain District Volunteer Application, which can be found at www.rmnaz.org/volunteer-with-youth This application includes a current (within the last 2 years) background check through NATSB and a certificate of completion of the Ministry Safe Training in order to participate in camp. Our District does have an account for both of these documents and links will be sent to the emails of those needing to complete these safety items. We would appreciate your church picking up the cost of these needed screenings, if you are unable to do so please contact me.

We look forward to seeing all of your children at camp this year.

Please send Registration Fee, Parent Signer Forms, and Copies of Insurance Cards to:

Laurel Church of the Nazarene
